	Question	Answer
1	How can I find out if I have a Pell refund check available?	<p>There are several ways to determine if you have a Pell refund check available. First, open up your Proa Portal and select the "Finances" section. Then, select "Balance" and ensure you change the Period to the semester you wish to look up and under "View" select Details by Charges/Credits.</p> <p>An indication of a pell refund should be stated. If there is no indication, contact the Financial Aid Office and Finance Office and we can work together to determine that.</p>
2	I was informed that I am part of Batch 2 of the Pell refund disbursements. How will I be able to obtain my refund check?	<p>The Financial Aid Office is currently reviewing student files that fall in the 2nd batch of Pell refunds. Review will be completed during the 1st week of May.</p> <p>Refund checks will be mailed directly to your mailing address. These addresses are obtained from our internal student system records. The Finance Office will be contacting you through your student email to ensure that their mailing address is up to date.</p> <p>If a change of address is needed, you will need to contact the Office of Admission and Records to request to make that change.</p>
3	I wasn't eligible for Pell during the 2019-2020 school year because of my income. Is there a way to request for an income adjustment due to my loss of income?	<p>Yes, you may send a "Request for Income Adjustment" letter addressed to the Financial Aid Office and provide a copy of your furlough, lay off, or termination notice from your employer to the Financial Aid Office at fao@marianas.edu.</p> <p>Deadline to make the request with Financial Aid Office is May 15, 2020.</p>
4	I have not received my SHEFA Scholarship Award for Spring 2020. How can I find out what is the status of my SHEFA application for this Spring 2020?	<p>As of April 23, 2020, NMC Financial Aid Office received an update from SHEFA regarding Spring 2020 Awards for Batches 7-12.</p> <p>All checks have been mailed out for Batches 7-12 for those who have submitted a notarized Memorandum of Agreement (MOA). If you have not completed a notarized MOA from Fall 2019 until now, please email your notarized MOA directly to saipanshefa@gmail.com.</p>
5	I have not received my CNMI Scholarship Award for Spring 2020. How can I find out what is the status of my CNMI Scholarship application for this Spring 2020?	<p>NMC Financial Aid Office has not received any updates regarding CNMI Scholarship Awards for the Spring 2020 semester. Please contact CNMI Scholarship Office directly through email to determine the status of your application: awards@cnmischolarship.net</p>
6	Will the transition to online virtual learning courses affect my federal aid?	<p>The U.S. Department of Education has indicated that, as long as students are enrolled and working toward their degrees, Federal Pell Grants, SEOG grants and Federal Direct Loans should not be impacted by this disruption.</p>

7	What will happen if my grades suffer and my GPA falls below the minimum requirement due to COVID-19?	<p>Financial aid regulations require that students meet specific Satisfactory Academic Progress (SAP) requirements in order to maintain eligibility for financial aid. We evaluate transcripts to determine SAP status (Financial Aid Probation, Financial Aid Suspension)</p> <p>If you are placed under Financial Aid Probation, you are still eligible to receive Pell Grant funds the following semester you plan to enroll. If you are placed under Financial Aid Suspension, you are considered ineligible. However, additional guidance issued by the Department of Education allows institutions flexibilities regarding the calculation of SAP requirements for Spring 2020 semester. When necessary, a SAP Appeal Letter can be provided that explains unique circumstances (including COVID-19 related circumstances) that affected their education.</p>
