3) Announcements
   a) International student counselor:
      Lisa shared that Elena has updated our SVEP petition to the U.S. Department of Education to include the
      ELI program that we have in place for approval. We will need three letters from other accredited institutions
      to see if our ELI program can be approved. To do this we need to ask other institutions to show our former
      students proficiency from taking their ELI courses at NMC and who have transferred to these institutions.
      She also stated that we have updated our petition for the program and we are awaiting more information on
what to do next. Elena has been identified as the primary designated school official for SEVP by the interim president.

   do to accommodate adjuncts.
