D. Catalogue Course Description
ED 406 is the third of four language arts courses for teacher candidates. It provides teacher candidates with theories, methodology, approaches and practices for effective teaching of English Language Learners (ELL) while reinforcing those studied in previous language arts courses. It intends to develop teacher candidates' understanding of second language learners and second language acquisition through the demonstration of how it is effectively learned and taught by providing them practice in developing integrated ESL/ELL lessons.
Prerequisites: All core courses and general education requirements with a grade of "C" or higher, ED 319 and ED 321, or permission of the Director of the School of Education. English Placement Level: EN 202. Math Placement Level: MA 132. (Offered Fall and Spring)
