1. **Department**
   Business

2. **Purpose**
   As the basic introductory course in the A.A.S. Hospitality Management degree program, Introduction to Travel and Tourism is designed to introduce students to the nature, scope and significance of the travel and tourism industry. This course provides students with an overview of: the historical development of travel and tourism; the various components of the industry; the social, cultural, economic and other forces that impact the industry; the economic importance of tourism to local and international economies; current issues in tourism; the future of tourism; and local, national, regional and global tourism organizations and associations. Emphasis will be placed on the value and importance of the local CNMI tourism industry and its various related components.

3. **Description**
   **A. Required/Recommended Textbook(s) and Related Materials**
   Required:
   Readability level: 10

   **B. Contact Hours**
   1. **Lecture**: 3 hours per week / 45 per semester
   2. **Lab**:
   3. **Other**:

   **C. Credits**
   1. **Number**: 3
   2. **Type**: Regular degree credits

   **D. Catalogue Course Description**
   This course is designed to introduce students to the nature, scope and significance of the travel and tourism industry. Introduction to Travel and Tourism provides students with an overview of: the historical development of travel and tourism; the various components of the industry; the social, cultural, economic and other forces that impact the industry; the economic importance of tourism to local and international economies; current issues in tourism; the future of tourism; and local, national, regional and global tourism organizations
