V. Public Opinion/Comment

1. Will there be online registration?
   - Riya has a friend who will be going off-island during registration week, so she was asking what her friend could do in order to register for the spring semester on time. ASNMC has agreed that the friend could either speak to her advisor or authorize someone to register for her.

2. IT and CRC (SOE)

3. Library printer
   - The library computer is not efficient.

4. Fixing up the classrooms
   - There have been concerns of mold in some classrooms, which is a health hazard.

5. Budget cuts
   - President Alex brought it to our attention that NMC has only received 3% of funds from the government. This is a concern because it seems as though our government does not value education.

VI. Old Business

A. College Month
   i. College map
   ii. Club rush: ASNMC thinks it would be a good idea to have the club rush during Welcome Week. The only problem is that no one has been showing up to the ICC meetings. If this continues, it will be difficult to organize this event.
   iii. Drive-in movie night

VII. New Business

A. Develop strategies and assessment tool for the adopted goals of 2013-2014
