Announcement No. 17-002

Northern Marianas College is accredited by the WASC Senior College and University Commission (WSCUC). With students who come from Micronesia, Asia, North America, Europe, and other parts of the world, the Northern Marianas College is a microcosm of the globe. In addition to its multicultural environment, the Northern Marianas College also boasts a diversity of students: in addition to recent high school graduates, many students are also currently working part time or full time and have their own family obligations. Classes are offered during the day, evening, and weekends to accommodate work schedules.

Northern Marianas College is located on the beautiful tropical island of Saipan within the Commonwealth of the Northern Mariana Islands. The island offers a broad range of outdoor sports, leisure and aquatics activities; and our tropical climate means that outdoor activities are available year round. This means that your salary results in greater take-home pay than in many other jurisdictions.

It is the policy of Northern Marianas College that equal opportunity be given to all qualified applicants without regard to age, race, gender, marital status, place of origin, religion, disability status, political affiliation, family relationship, or genetic information (GINA). The college reserves the right to waive or implement other qualifications to meet its needs and the right to reject all applicants or withdraw the vacancy should NMC determine such a position is no longer needed or able to be filled.
