ARAP DRAFT #2

Draft #1 of the ARAP was distributed to the NMC community on August 12, 2010 for review, discussion, and comment. Between August 12 and August 26, the draft was discussed by the following groups representing a broad cross-section of the NMC community: ARAP Standard Teams; governance bodies, including the Planning, Program Review Outcomes and Assessment Committee (PROAC), Academic Council, the Budget and Finance Committee (BAFC), and College Council; and constituent assemblies, including the Faculty Assembly, a student assembly, and the Senate Assembly. The attached draft, Draft #2, reflects suggestions and input raised in those meetings and submitted via email to the Accreditation Liaison Officer and the ARAP Steering Committee (Management Team).

The attached draft is hereby submitted again to the NMC community for review, discussion, and comment. As it is a living, breathing, working document, the ARAP Steering Committee welcomes the continuing input and participation of the NMC community.
