

## STATEMENT OF IDENTITY AND EDUCATIONAL PURPOSE

(V4-V5 Verification Worksheet)

Your Free Application for Federal Student Aid (FAFSA) was selected by the U.S. Department of Education FAFSA Processing System (FPS) for review in a process called "Verification." The NMC Financial Aid Office (FAO) is required by law to confirm the information you reported on your FAFSA before awarding any Federal Student Aid. You must verify your identity and complete a Statement of Educational Purpose. If there are differences between your application information and the documents you submit, your application may require correction. The NMC FAO cannot make any federal financial aid request available to you until all verification requirements have been met, and the necessary corrections have been made.

If you have questions about Verification, contact the NMC Financial Aid Office as soon as possible to avoid delays in processing your financial aid.
